EXPERIENCE

Programus Ltd — UI/UX Engineer

August 2023 - PRESENT

- Contributing to the enhancement of the Optimo events and venue management tool by onboarding new clients and ensuring accurate application of their themes on the platform. Addressing overall bugs within the UI and UX for improved functionality.
- Engaged in a comprehensive system overhaul using Angular 16 and SASS to revitalize the platform. Translating Figma designs into responsive web layouts to cater to diverse device categories.
- Actively providing UI/UX perspective to improve the product even more

Noetic Media — Creative Designer Intern

Feb 2022 - Aug 2022

- Contributed to marketing campaigns by creating required designs, engaging in video editing, and developing 2D animations
- Primarily collaborated with clients such as Access Motors, Access Lifestyle, Sika, and RBN at our agency, providing crucial support in the development of their marketing materials. Additionally, extended assistance to other clients within our agency.

Daraz.lk — Creative Design Intern

Sep 2021 - Dec 2021

- Contributed to marketing campaigns by creating required designs for Daraz seller engagement.
- Designed necessary materials in trilingual format (Sinhala, English, and Tamil).
